

Who can ride?

Virtually anyone can ride a horse, at Ride With Me we have horses for the experienced rider, the novice rider & the total beginner. All our horses are schooled to a very high standard which means even the most nervous of beginners can soon overcome their fear & go on to enjoy horse riding on a regular basis.

Whilst we don't offer lessons we do accept that everyone has to start somewhere, so if you are a total beginner or are returning to riding after some time away we can offer some time in our covered menage to get the feel of riding before taking you out for a gentle trek into the countryside.

If you're interested in riding with us or you're not sure if you can ride, simply contact us & we'll do all we can to help you.
